Gina -

Thanks for tracking all of this - it looks like everything is under control.

One small note - you mention bringing NIEHS in the loop at some point, we may want to add an ATSDR contact as well. We did coordinate with them during document development.

Also - I have set up a team meeting for late in the day tomorrow, and am sending an update to all team members today as well.

Thank you,
Danielle

All - Below are some notes on where we are thus far.
Let me know if I have missed anything.
G

The NAS briefing has been rescheduled for 9AM downtown at the NAS building.
It is still on Thursday, and the call-in info is still the same.
